#### **I. Exhibitor eligibility**

In order to be eligible to exhibit at the EHEF 2017, the institutions must:

- Be an education institution with their headquarters in one of the Erasmus+ Programme Countries (EU, EEA, Turkey, FYROM), OR
- Be an official representative/agent in Japan of an education institution with their headquarters in one of the Erasmus+ Programme Countries (EU, EEA, Turkey, FYROM), OR

#### **II. Booth allocation**

Booths are allocated to eligible education institutions on a first-come, first-served basis, with, in principle, one place guaranteed per country. If after the initial deadline certain places have not been taken up, these will be offered in the first instance to institutions applying through our official co-organizers (Campus France, DAAD), and to EU programmes, prior to being offered to institutions from other countries in the order that applications were received. Should places still be available these will be made available to institutions in all eligible countries on a first come first served basis.

Due to a limited number of booths, priority for participation in the Kyoto event will be given to institutions whose staff will be travelling to Japan especially for the event (i.e. with no permanent representative based in Japan). Institutions will only be considered on receipt of a complete, signed application form (pdf scan by email), along with a completed Institution Information Sheet by email. The Organizing Committee reserves the right to select institutions to take part in the fair based on the exhibitor selection criteria, as described above. French and German institutions will firstly register participation with Campus France Japan and DAAD Germany.

#### **III. Payment of fees**

Once participating institutions have been selected by the Organizing Committee a request for payment of participation fees will be sent by Campus France Japan. Participation is only confirmed when this fee is received.
